ALGEBRA SEMINAR

Friday, September 14, 2007

Professor Tom Lada
North Carolina State University

A_∞ and L_∞ algebras in the context of
brace algebras

ABSTRACT: We will consider A_∞ and L_∞ algebras in some detail
and explain how they appear in brace and symmetric brace algebras.

3:00 - 3:50 pm HA 335

Faculty and Students are invited to attend.
