

# Balanced Scales

(adapted from Creative Publications, 1990)

Scale #1 and #2 are balanced with blue (B), green (G), and yellow (Y) cubes.

Balance Scale #1

Balance Scale #2

Find the following relationships between the colored cubes.

1. 1 blue cube (B) = \_\_\_\_\_ green cubes (G)
2. 1 yellow cube (Y) = \_\_\_\_\_ green cubes (G)
3. What is the relationship between blue cubes (B) and yellow cubes (Y)?
