

Directions to NCSU Econ Department from Chapel Hill or Durham

(1) Take **I-40** toward Raleigh. Pass the exit for the airport. Soon you will see an exit for **Wade Avenue**. Take that.

(2) Follow **Wade Avenue** into Raleigh. You will go under the Beltline (I-440) and then pass Ridgewood Shopping Center on your left. There is a Whole Foods grocery in it. Continue on Wade until you come to **Dixie Trail**. Just before you get to Dixie, you will go down a hill and then up another, reaching Dixie at the top. There is a traffic light at Dixie.

(3) Turn **right on Dixie Trail** and continue until you come to **Hillsborough Street**.

(4) Turn **left on Hillsborough Street** (going toward downtown Raleigh)

(5) Almost immediately turn **right onto Dan Allen Drive**. Nelson Hall (where the Economics Department is located) is the red brick building on the corner of Dan Allen and Hillsborough, to your left after you have turned onto Dan Allen.

(6) About 200 feet after turning onto Dan Allen Drive, you will see a parking deck building on your right. That is the **Dan Allen Parking Deck**. Park there.

(7) Once you have parked, go around to the front entrance of Nelson Hall on Hillsborough Street. Enter the building, go a few feet down the main hall, and then go through a pair of wooden doors with glass windows on your **right** into the office suite for Academic Affairs, **rooms 2152-2182**. Ask the receptionist for **Lauren Brown**. Lauren will give you a permit for your car, which you will have to take back to your car to hang from the rear view mirror. Once you have put the permit on your car, you are legally parked, and you can go back to Nelson Hall. This going back and forth will take about 15 minutes, so be sure to allow time for it.

(8) If you are arriving just in time for the seminar, go to room 4210 of Nelson Hall, on the 4th floor, which is where the seminar will be. If you arrive earlier than that, come to my office, room 4146.

If anything goes wrong or there is any problem, my telephone number is 919-513-2697.
