Early Grade *	Open-ended Question	Comments from Student
	Strengths and weaknesses instructor	You would think it would be hard to learn from a teacher who's 1st language isn't english, but I think he did a great job. Whenever I was confused about some material in the book, he did a great job of explaining it.
	Strengths and weaknesses course	This course did a great job of improving my knowledge of economics. It's biggest weakness, like so many other courses, is that it tries to cramp too much information into a one sem.
	Strengths and weaknesses lab	Great job Movchan. You made economics a lot better than I thought it would be.
	Strengths and weaknesses instructor	Great Class!
	Strengths and weaknesses instructor	good work
	Strengths and weaknesses instructor	EXCELLENT
	Strengths and weaknesses course	EXCITING
	Strengths and weaknesses lab	Highly recommended. explains well. Great instructor.
	Strengths and weaknesses instructor	Though he was from eastern europe, his language skills were very impressive. He made the very tough information easy to digest. He made it very easy for me to get up and come to a 9 o clock class.
	Strengths and weaknesses instructor	He seems to be a very intelligent man, however it was very easy to get lost in his words during the lecture. A lot of that is due to the course material.
	Strengths and weaknesses course	The course can get overwhelming at times. The material is not necessarily difficult, but there is extensive reading that is required to do well in this course. The information is somewhat boring at times.
	Strengths and weaknesses lab	Overall it was interesting.
	Strengths and weaknesses instructor	Very good instructor who knows what he is talking about. He explains the topics covered in the course very well and provides many explanations and examples so that students will not only understand it but understand it strongly. Interacts well with the students as well so as to not bore them.
	Strengths and weaknesses course	Good course that moves along at a steady pace and gives students enough time to understand the material that is presented.
	Strengths and weaknesses instructor	Very knowledgeable on material. Explained difficult material well and made sure students had plenty of notes and materials to help them better understand the class content.
	Strengths and weaknesses course	This class will probably be of little use to me in the future, however it was interesting sometimes and was well taught.

Early Grade *	Open-ended Question	Comments from Student
	Strengths and weaknesses instructor	used teaching aids, such as internet, hand outs very well. straight forward and did a good job teaching the concepts.
	Strengths and weaknesses course	good course. very intellectually stimulating and provides a good basis of how to understand economics in the news and paper.
	Strengths and weaknesses lab	i enjoyed the class and the teacher very much.
	Strengths and weaknesses instructor	He explained difficult things very well.
	Strengths and weaknesses course	Too much information for one semester.

Early Grade *	Open-ended Question	Comments from Student
	Strengths and weaknesses instructor	He was a great instructor. He really related well with his students.
	Strengths and weaknesses instructor	Did a good job of simplifying the difficult material to make it easier to understand.
	Strengths and weaknesses instructor	Thought he was a great teachers I've had a few non-native English speakers for teachers and he was by far the best, very easily understood. Made the class fun and as interesting as possible. I would definitely recommend him.
	Strengths and weaknesses course	A bit dry, but all pretty interesting if you got in to it. A good teacher makes a big difference, and this one was good.
	Strengths and weaknesses instructor	The instructor was all around very good at teaching the material.
	Strengths and weaknesses course	The course is tough.
	Strengths and weaknesses instructor	He knew the information and explained it well.
	Strengths and weaknesses course	It's a lot of information to understand that's why an instructor of his caliber is necessary for students to be successful in this course.
	Strengths and weaknesses lab	He was a great teacher and I have gained knowledge about the economy and this course has increased my interest in economics and business.
	Strengths and weaknesses instructor	Overall the instructor did a good job of teaching the material but some times it was difficult to follow the instructor in what was being taught, the point that was trying to be conveyed wasn't always clear.
	Strengths and weaknesses course	Overall the course was well rounded and I did not feel it showed any weaknesses.
	Strengths and weaknesses instructor	Always explained information fully and looking to help the students. But at times, a little hard to comprehend and fully understand to material.
	Strengths and weaknesses instructor	He is the man..... good teacher always looks out for his students
	Strengths and weaknesses instructor	professor was always ready to help students he did worksheets in class which helped a lot nice pattern of teaching
	Strengths and weaknesses course	good course, very informative..
	Strengths and weaknesses instructor	great teacher

	Strengths and weaknesses course	ok course
	Strengths and weaknesses lab	fun times
	Strengths and weaknesses instructor	good teacher. explained things well. payed attention to each students needs. prepared well for tests.
	Strengths and weaknesses course	course had good interesting material sufficient for use in the future.
	Strengths and weaknesses instructor	He is very helpful to students in any way that he can.
	Strengths and weaknesses course	The course could have used a couple more tests. Two tests does not leave one much room for failure. If there were four tests and you messed up on one, you could bring it back up.
	Strengths and weaknesses instructor	you did a GREAT job this semester and really enjoyed your class. probably the best economics teacher i have had yet. don't change a thing.
	Strengths and weaknesses instructor	Good teacher. could pronounce a little better though.
	Strengths and weaknesses instructor	very personable and thoroughly explains complex concepts of macro
	Strengths and weaknesses instructor	Knew the material very well, and was a great teacher.
