The Brain – is wider than the Sky –
For – put them side by side –
The one the other will contain
With ease – and You – beside –

The Brain is deeper than the sea –
For – hold them – Blue to Blue –
The one the other will absorb –
As Sponges – Buckets – do –

The Brain is just the weight of God –
For – Heft them – Pound for Pound –
And they will differ – if they do –
As Syllable from Sound –

Syllable: the smallest separately articulated element in human utterance
Sound: the sensation produced by stimulation of the organs of hearing by vibrations transmitted through the air or other medium.
